

OASIS have changed the supplier of Cold Controls from Robert Shaw to Danfoss. The change applies to both RR & Kalix product families

OASIS has carried out extensive testing and can advise that both generation Cold Controls have similar performance & specifications and are fully interchangeable. The new Cold Control has been fully certified & approved.

The table below outlines the part number changes.

Note:

RR range has already changed.

Kalix change will be implemented when current stocks are consumed.

	Original P/N	New Danfoss P/N	Change Date
RR Family	027040-027	027040-064	02/07/2024
Kalix Family (incl ULTRA)	027040-049	027040-065	ETA Aug 2024
